EXHIBIT U
Dear [claimant/representative],

Thank you for your patience as we work towards the resolution of this settlement.

As you are aware, the claim for [business name] has been identified as a high-value claim per the data request letter mailed to your attention on [date]. Based on the data previously provided we have been unable to substantiate all specified totals for this claim.

As the provided [document] states, [claim section(s)] totals were created through [summary of claim filing methodology and supporting documents]. However, when attempting to recreate your claimed total(s) using the methodology and data/information provided the following discrepancies resulted:

- [list discrepancies]

In order to reconcile all listed discrepancies we require the following information:

- [information missing/still needed]

Please provide the data listed above which will allow us to independently verify the accuracy of the extrapolated [claim section(s) totals].

If you have any questions, please review the Claims Administrator’s website a www.FreightForwardCase.com or contact the claims administrator at: by email to questions@FreightForwardCase.com; or by mail to:
